HELP TO AVOID SLOW PLAY

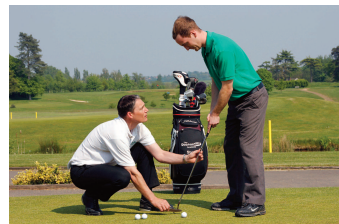

- Always be ready to play YOUR ball when clear to do so.
- Park your clubs at the exit of each green BEFORE putting out.
- Wave faster groups through.
- During match play, pick up when you lose the hole, or in Stableford, when you cannot score. Do not putt out.
- As a 4 ball, it should take no more than 2 1/2 hours to play the front 9 holes. If you are slower, you will be asked to let others through.

ETIQUETTE

- Sharing of clubs is strictly not permitted.
- Replace all divots.
- If you play out of a bunker, please rake it after use.
- Repair pitch marks.

Adhere to all paths where provided and do not enter conservation areas. Do not play until it is safe to do so – remember, it is your responsibility. Please ensure your mobile phone does not cause inconvenience to other golfers.
