## Prescriptive Discovery

**30 or 60 minute treatment**

**£35/£60**

Using innovative skincare systems that are as individual as your skin, this facial is designed for you to find out more about your skin and how to keep it looking radiant and healthy. After a thorough skin analysis and consultation, a gentle exfoliation precedes the application of a rich vitalising mask\* which helps us diagnose your skin condition. You will then enjoy a facial massage\* and prescriptive treatment mask, all topped off with eye and face hydration and protection.

(\* The rich vitalising mask and facial massage are only included within the 60 minute treatment).

## English Rose Radiance

**60 minute treatment**

**£60**

With this exquisite facial you will enjoy the luxurious sensation of a Rose Quartz Massage. Harnessing the cell renewing properties of Alpine Stem Cells, Retinol (Vitamin A) and Rock Rose Extract, this facial will visibly regenerate the complexion and give it a fresh, rosy glow. Your skin will feel fantastic.

## Collagen Infusion

**60 minute treatment**

**£65**

This triple hit is perfect if you have dry, tight, red or sensitive skin. We use the highest quality Collagen Booster fluids to ensure that this facial will intensively hydrate, calm and firm your skin whilst leaving it well toned with reduced fine lines and wrinkles.

## Anti-Aging Powerlift

**60 minute treatment**

**£65**

Imagine the most effective facial ever; one which is not only the most enjoyable and relaxing you've tried, but also has a truly noticeable effect. Exclusive High Skin Refiner products have instant results you can see and feel; fine lines are noticeably smoothed, giving the skin a more refined appearance. Skin will be left noticeably firmer.

## Sensational Eyes

**30 minute treatment**

**£35\***

Protect and enhance your delicate eye area with a nourishing, refreshing and firming eye treatment. Active complexes help to drain, brighten and firm while reducing the appearance of fine lines.

## Moroccanoil Scalp Treatment

**30 minute treatment**

**£35\***

A fantastic scalp treatment for anyone wanting to treat an oily or dry itchy scalp. Moroccanoil products feed the hair throughout this treatment, whilst the specific treatment for your scalp is applied and massaged in. Have this treatment as a stand-alone or an add-on to any facial.

\*Both of these treatments can be added onto any of the facials above for just **£30**
