NOVALASH EXTENSIONS

120 minutes

Classic £65 Volume £75

NovaLash Extensions are a glamorous new way to extend the length and thickness of natural eyelashes and are a practical, convenient and beautiful alternative to the daily use of mascara. Unlike decades-old, traditional false lashes, lash extensions are the first innovation in lash lengthening that can be worn daily, without nightly removal. Each tapered, synthetic lash is bonded to a single natural lash, the final result is of effortless glamour and difficult to detect even close up.
